The America First investment pledges: Are they realistic?

Gregory Auclair (PIIE) and Adnan Mazarei (PIIE) *

March 5, 2026

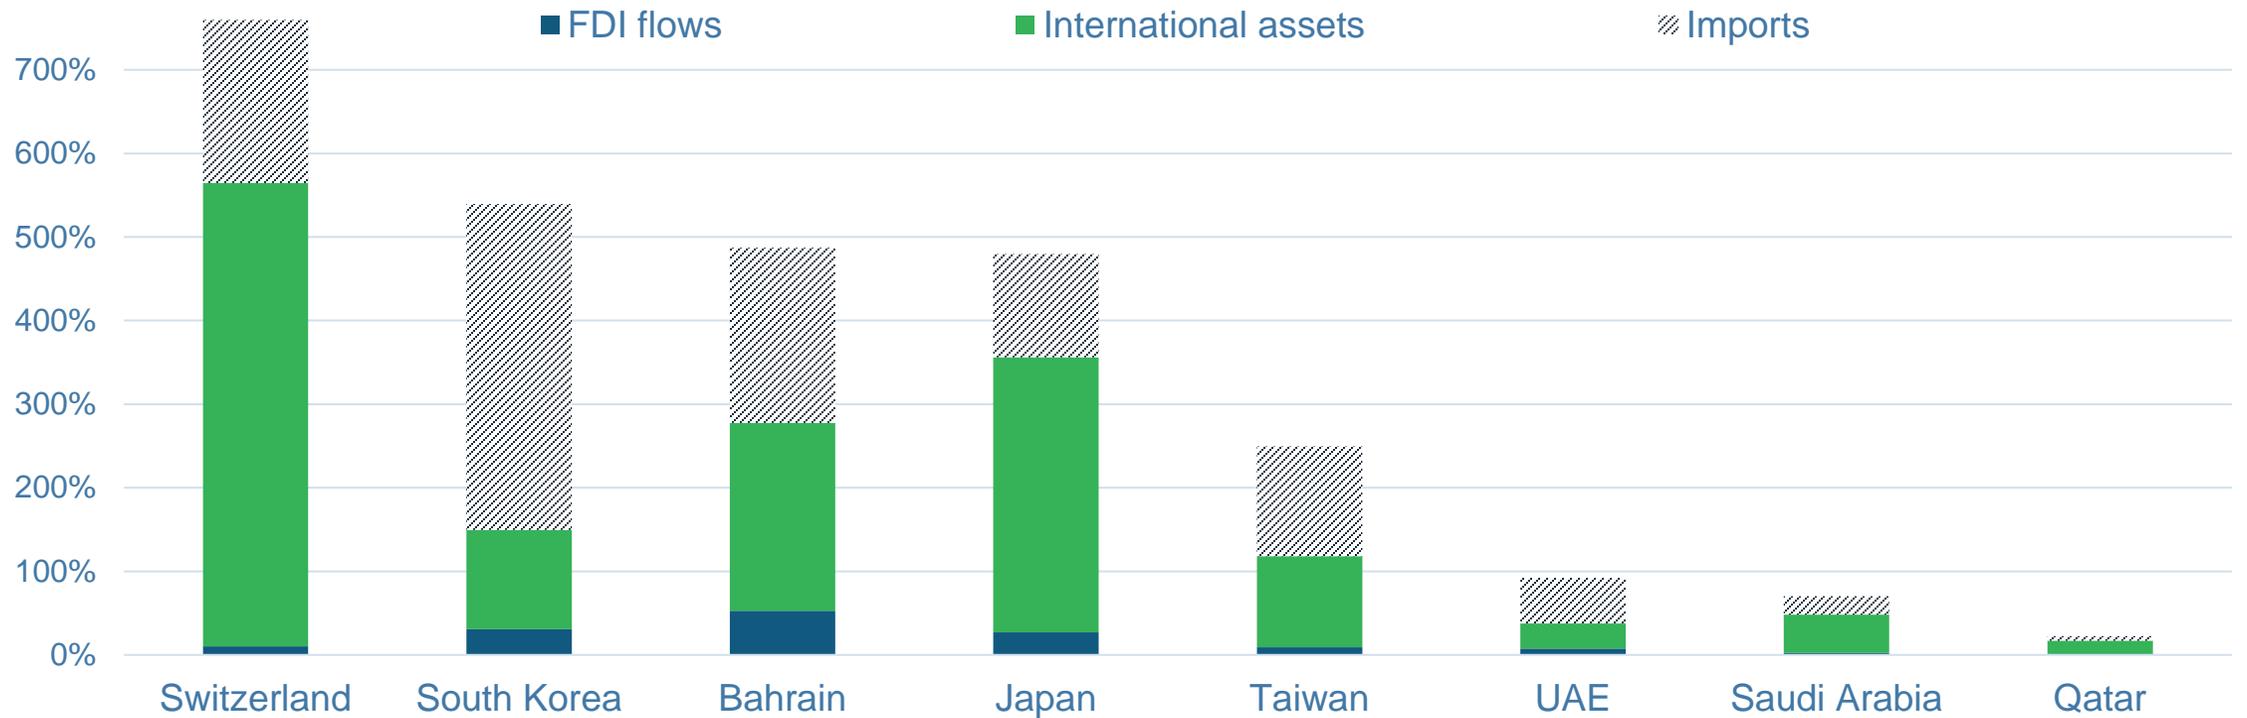

*Peterson Institute for International Economics. The views presented here are those of the authors alone.

Pledge Amounts Relative to GDP

Country/ Region	Pledge (billions USD)	Horizon (years)	2024 GDP (billions USD)	Pledge % GDP	Pledge Flow Value % GDP *
UAE	1,600	10	552	290%	29%
Qatar	1,200	..	220	546%	55%
Saudi Arabia	1,000	4	1,240	81%	15%
EU	600	4	19,460	3%	1%
Japan	550	4	4,019	14%	3%
Taiwan	500	..	797	63%	6%
South Korea	350	..	1,875	19%	2%
Switzerland	200	5	938	21%	4%
Bahrain	17	..	47	36%	4%

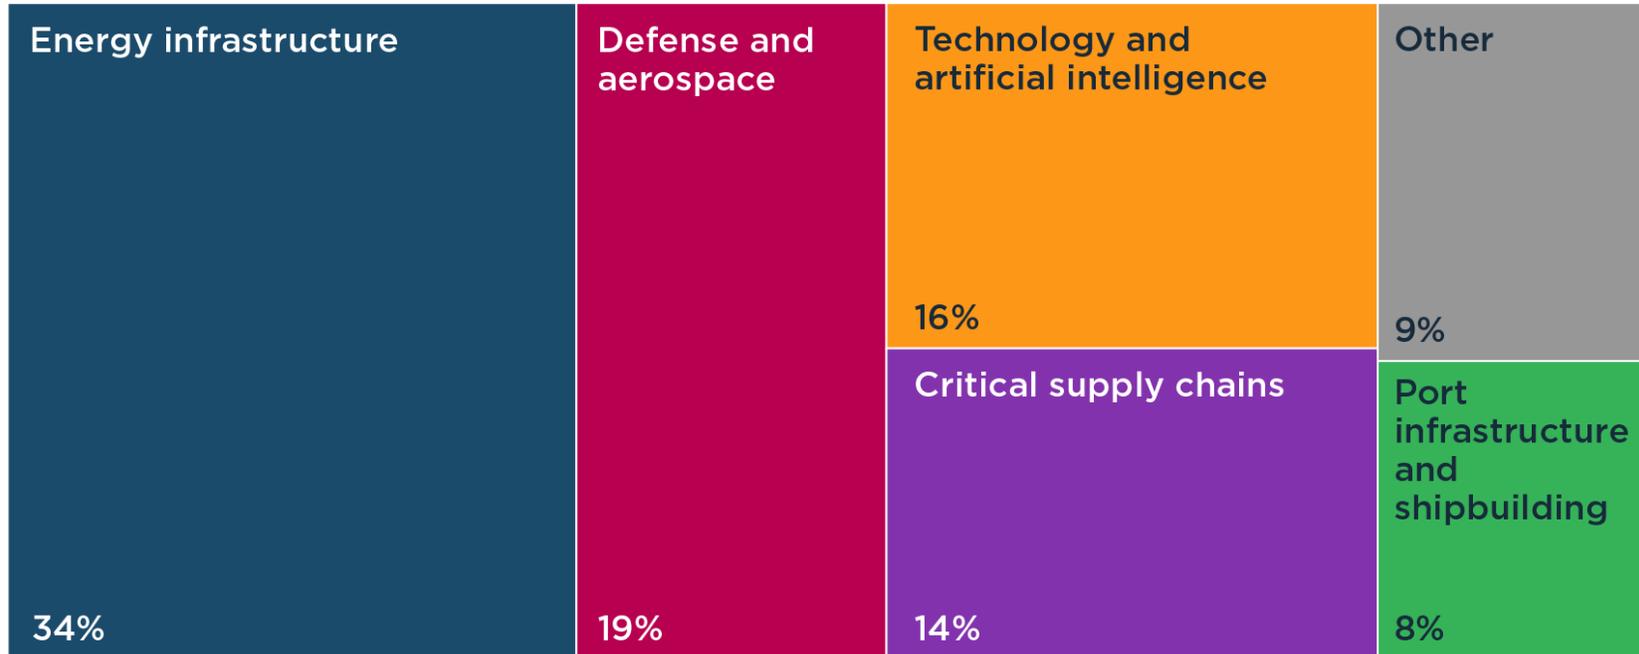

* Assumes 10-year horizon if unknown. For Saudi Arabia, this applies to \$400 billion of its total pledge.

“Ability to Pay” Metric Results

Project Announcements by White House

Distribution of America First-related project announcements, count of projects shown as %, by sector

Source: Analysis of White House Fact Sheets, classifications cover 64 projects in total.
