

At what stage of the economy does policy intervene?

pre-
production

production

post-
production

At what stage of the economy does policy intervene?

	pre-production	production	post-production
What kind of inequality do we care about?			
bottom			
middle			
top			

At what stage of the economy does policy intervene?

What kind of inequality do we care about?

	pre-production	production	post-production
bottom	endowment policies (health, education); UBI	minimum wage; job guarantee;	transfers (e.g., EITC); full-employment macro policies
middle	public spending on higher education	“good jobs” policies; industrial relations & labor laws; sectoral wage boards; trade?; direction of tech. change	safety nets, social insurance policies
top		regulation, anti-trust	wealth taxes

What's really new? Much more focus on production-stage policies

At what stage of the economy does policy intervene?
