

## *Rebuilding the Global Economy*

*A series outlining policy priorities and solutions*

 **PIIE** PETERSON INSTITUTE FOR  
INTERNATIONAL ECONOMICS

Memorandum to:

# Secretary-General of the Organization for Economic Cooperation and Development

From: Caroline Atkinson

December 16, 2020

Key priorities:

1. GLOBAL TAXATION OF CAPITAL -- further the BEPS (Base Erosion and Profit Shifting) agenda, with specific recommendations for global minimum tax, information sharing, transparency
2. DIGITAL TECHNOLOGY -- develop and build consensus for standards and rules for regulating digital technology that foster innovation and efficiency, while addressing public concerns
3. CLIMATE -- support governments and business in "Building Back Green"
4. HEALTH -- investigate and publish research on which health systems were most successful in addressing Covid 19, and why
5. PRODUCTIVITY -- reinvigorate OECD research on growth and productivity, to shed light on why productivity growth has slowed
