Power distribution in the islands of Japan

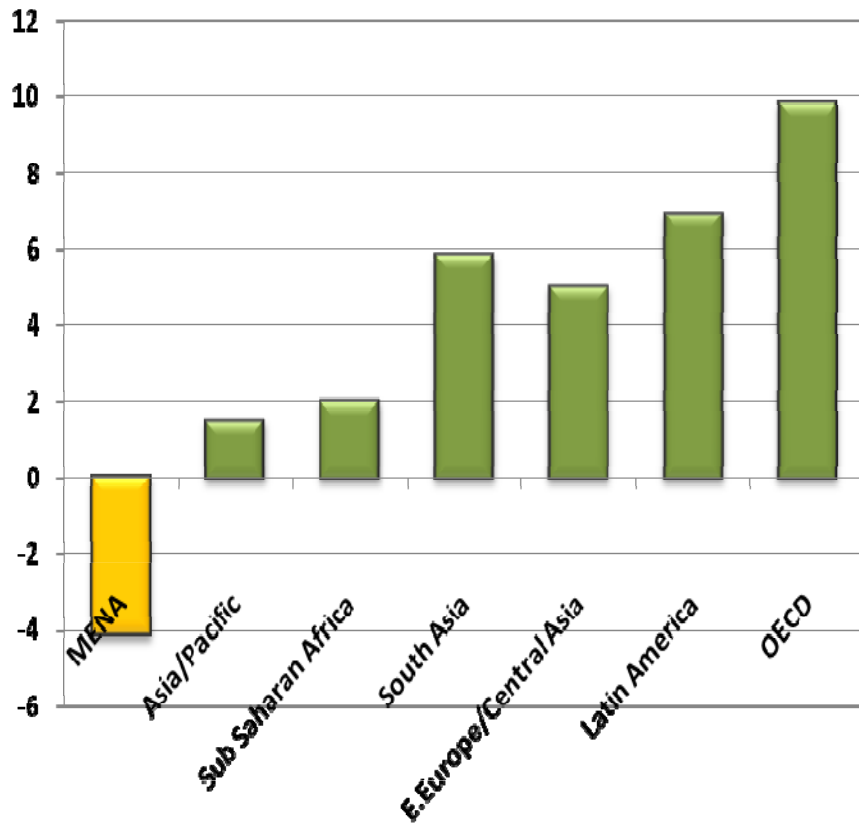

Middle East: An irresistible force meets...

- Demographic imperative to create jobs:
 - Lowest employment rate in the world
 - Youth unemployment twice world average
 - Youth unemployment correlated with educational attainment; ratio of college grad to elementary school grad unemployment rate
 - Egypt: 10x
 - Morocco: 5x
 - Iran: 3x
 - Jordan 1.25x

An until recently unmovable object

Average Polity Score 2009

Average Number of Regime Change (1960-2004)
